Sir:

In accordance with the duty of disclosure under 37 C.F.R. § 1.56, Applicant hereby notifies the U.S. Patent and Trademark Office of the documents which are listed on the attached Form PTO/SB/08a, which the Examiner may deem material to patentability of the claims of the above-identified application.

Regarding JP 2000-044887, which was previously cited in the Information Disclosure Statement filed October 20, 2008, an English machine translation has now been obtained, and is submitted herewith.

Additionally, for the Examiner's information, JP 06-507664, having been incorrectly listed as JP 06-607664 in the Information Disclosure Statement filed October 20, 2008, has now been listed correctly on the Form PTO/SB/08a submitted herewith.

The present Information Disclosure Statement is being filed no later than three months from the application's filing date and before the mailing date of the first Office Action on the merits and therefore, no Statement under 37 C.F.R. § 1.97(e) or fee under 37 C.F.R. § 1.17(p) is required.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicant does not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account. A duplicate copy of this paper is attached.
